The 28-page Calendar has two extra pages. You may use the January “Next Year” calendar spread as shown, or remove the calendar on the next page and use the page 26-27 spread as promotional pages.

Pages 2-3 may be used for the promo spread instead, if you delete pages 26-27 and then insert 2 new pages following the front cover (page 1).

For 32-page Calendars, insert 4 additional pages.
